

Seashore Trolley Museum Bus and Trackless Trolley Update August 2010 - No. 1

Boston MBTA Flyer No. 4006 Arrives in Kennebunkport

1976 Flyer, No. 4006, representing the last of the old technology Trackless Trolleys at the MBTA, is now at Seashore. There is some reassembly required to have it operating again which will include the replacement of a broken spring on one of the trolley pole bases.

The pictures tell it all the best:
